| <b>II. OUTSIDE TEMPERATURE</b> | <b>2</b> |
| <b>III. COMMUNICATION</b>      | <b>2</b> |

## **I. Introduction**

In order to preserve the safety of the children, hats and caps are mandatory for all the children when whenever the outside temperature exceeds 27 degrees Celsius.

## **II. Outside Temperature**

Outside temperature is monitored by the school nurse and the below instructions must be followed:

- If the temperature is 40 degrees Celsius or more; children are not allowed to play outside.
- If the temperature is between 37 to 39 degrees Celsius; children are allowed to play outside only under the shades.
- If the temperature is between 27 to 36 degrees Celsius; monitored outdoor play is allowed.
- If the temperature is under 27 degrees Celsius; safe outdoor play is allowed.

## **III. Communication**

The school nurse will inform the administration and the teaching staff when the temperature is 37 degrees Celsius by email.
